6th GRADE PHYSICAL EXAMINATION (2021-2022)

November 2020,

Dear Parent/Guardian of Fifth Grade Students,

IT'S NOT TOO EARLY TO SUBMIT YOUR 6th GRADE PHYSICAL!

The Pennsylvania School Health Law requires physical examinations for students upon original entry and in grades 6 and 11. These grades were selected because they represent critical periods of growth and development in a student's life. Physical exams are valid for the twelve months prior to the start of the school year.

Attached please find a physical exam report form. Please take it to your doctor the next time your child has a well-child check up and have your doctor complete the form. If your child has had a physical exam dated **no earlier than September 2020** you may send a copy of that exam into the health room. Please include documentation of immunization from your child's health care provider. Thank you for your cooperation in keeping your child's school health record up to date. If you have any questions or concerns please call the school nurse.

PLEASE NOTE:

ALL STUDENTS ENTERING 7TH GRADE MUST HAVE

1 DOSE OF Tdap (TETANUS BOSTER) given at age 11 years or older

1 DOSE OF MENACTRA (MENINGITIS) given at age 11 years or older

BY THE FIRST DAY OF 7th GRADE.

Thank you,
