Code	218.3 - Proposed New Policy- Reviewed by Stock and Leader
Status	DRAFT - Under Construction
Last Reviewed	February 8, 2021

Purpose

The Board recognizes the importance of a safe school environment for students who are victims of sexual assault. This policy addresses disciplinary requirements for a student convicted or adjudicated delinquent of sexual assault upon another district student. [1]

Definitions

Adjudication/Adjudicated Delinquent – means, for purposes of this policy only, the formal verdict by a Juvenile Court Judge indicating that the juvenile, herein the student, is in need of treatment, supervision, and/or rehabilitation, for sexual assault. [20]

Conviction – means, for purposes of this policy only, the finding of guilt by a judge or a jury or the entry of a plea of guilty or nolo contendere for sexual assault, regardless of whether judgment of a sentence has been imposed. [1]

Nolo Contendere – a Latin phrase which means, for purposes of this policy only, that the defendant, herein the student, does not wish to contend the charges against him or her. When a student enters a plea of nolo contendere, he or she technically does not admit guilt. However, for purposes of this policy, a plea of nolo contendere is equivalent to a plea of guilty, and therefore falls in line with the definition of conviction, above. [19]

School setting – means, for purposes of this policy only, in the school, on school grounds, in school vehicles, at a designated bus stop or at any activity sponsored, supervised, or sanctioned by the school. [1]

School-sponsored activity – means, for purposes of this policy only, any assemblies, field trips, class trips, graduation ceremonies, athletics, extracurricular activities, clubs, groups, teams, or any activities sponsored, held, or approved by the district. [1]

Sexual assault – means, for purposes of this policy only, any of the following offenses: [1]

1. **Rape. [2]**
2. **Statutory sexual assault. [3]**
3. **Involuntary deviate sexual intercourse. [4]**
4. **Sexual assault. [5]**
5. **Aggravated indecent assault. [6]**
6. **Indecent assault. [7]**

Authority

The Board shall comply with the disciplinary requirements established by state law regarding students who have been convicted or adjudicated delinquent of sexual assault upon another student enrolled in this district, regardless of whether the sexual assault took place inside or outside of the school setting. The Board may not be prohibited from taking action for student convictions or adjudications for sexual assaults that occur outside a school setting, under certain circumstances, as described herein. [1][8][9][20]

Delegation of Responsibility

A student who is convicted or adjudicated delinquent of sexual assault upon another student enrolled in this district shall be required to notify the Superintendent or designee of the conviction or adjudication no later than seventy-two (72) hours after the conviction or adjudication. A notice of this requirement shall be placed in the Student Handbook. All parents/guardians of students in the middle and high schools shall sign a verification, indicating they understand this obligation. [1]

Upon report of a conviction or adjudication of sexual assault upon a district student, the Superintendent or designee shall notify the Title IX Coordinator and ensure this policy is implemented in compliance with state and federal laws.

Guidelines

Nothing in this policy shall be construed as limiting the authority or duty of the district to make an alternative assignment or provide alternative educational services during or after the period of expulsion. [1]

Conviction or Adjudication of Sexual Assault by a District Student upon Another District Student that Took Place in the School Setting

Required Actions:

Upon report of a conviction or adjudication of sexual assault by a district student upon another district student that took place in the school setting, the Superintendent, designee, or Title IX Coordinator, as appropriate, shall take one (1) of the following actions, in compliance with Title IX regulations, in regards to the convicted/adjudicated student: [1] [10]

1. Recommend that the Board expel the student, in accordance with law and Board policy. Should the Board decide not to expel the student, the Superintendent shall take one of the following two actions below. [1] [9]
2. Transfer the student to an alternative education program.
3. Reassign the student to another school or educational program within the district.

While the facts of the conviction or adjudication stand, for purposes of school discipline, prior to the occurrence of any of the above three actions, the district shall notify the parent/guardian of the convicted/adjudicated student of the three, above-listed actions and the district's obligation.

Again, prior to the occurrence of any of the three, above-listed actions, the district shall then hold an informal hearing with the student and his/her parents/guardians to ensure they have the opportunity to present the Superintendent or designee with the action they propose should be taken and why. [9][24]

Additional Actions:

In addition to ensuring that the victim is not educated in the same school building as the convicted/adjudicated student, the district shall ensure that the convicted/adjudicated

student is prohibited from taking part in the following activities at the same time as the victim:[1][10]

1. Being transported on the same school vehicle.
2. Participating in the same school-sponsored activity.

Title IX Implications:

Upon report of a conviction or adjudication of sexual assault by a district student upon another district student that occurred in the school setting, the Superintendent or designee shall notify the Title IX Coordinator to determine whether the incident has been addressed in accordance with applicable Board policy, regulations, and federal law.

Upon notification to the Title IX Coordinator and the subsequent receipt of a Title IX complaint in response to the adjudication or conviction, the Title IX Coordinator shall determine if the district's anticipated actions against the convicted/adjudicated student, as outlined in the above sections, qualify as an emergency removal under Title IX. If the Title IX Coordinator determines that the district's anticipated actions will qualify as an emergency removal, the Title IX Coordinator shall conduct an individualized safety and risk analysis before any of the Required Actions are taken.

- If the Title IX Coordinator determines that the convicted/adjudicated student does not pose an immediate threat to the physical health or safety of any student or other individual arising from the report of conviction or adjudication of sexual harassment/sexual assault, the Title IX Coordinator shall inform the Superintendent or designee to pause any action under this policy until a full title IX investigation has been completed and a determination has been made, in order to comply with state and federal laws and regulations.[10][11][21]
- If the Title IX Coordinator determines that the convicted/adjudicated student does pose an immediate threat to the physical health or safety of any student or other individual arising from the report of conviction/adjudication of sexual harassment/sexual assault, the Title IX Coordinator shall coordinate with the Superintendent or designee to implement the anticipated actions.

Discretionary Actions:

Should the sexual assault, for which the student was convicted/adjudicated occur outside the school setting, the district may not be prohibited from acting, as described below in numbers 1, 2, and 3, as well as in the Additional Actions section, if the assault has the effect of:

- Substantially interfering with the victim's education;
- Creating a threatening or hostile educational environment; or
- Substantially disrupting the orderly operation of the school.

The Superintendent, designee, or Title IX Coordinator, may, if the assault has the effect of any of the above, take one (1) of the following actions, in compliance with Title IX regulations, in regards to the convicted/adjudicated student:[1][10]

1. Recommend that the Board expel the student, in accordance with law and Board policy. [1][9]
2. Transfer the student to an alternative education program.
3. Reassign the student to another school or educational program within the district.

While the facts of the conviction or adjudication stand, for purposes of school discipline, prior to the occurrence of any of the above three actions, the district shall notify the

parent/guardian of the convicted/adjudicated student of the three, above-listed actions and the district's obligation.

Again, prior to the occurrence of any of the three, above-listed actions, the district shall then hold an informal hearing with the student and his/her parents/guardians to ensure they have the opportunity to present the Superintendent or designee with the action they propose should be taken and why. [9][24]

Should the district choose to engage in one of the discretionary actions listed above to make sure that the convicted/adjudicated student is not educated in the same school building as the victim, it shall also ensure that the convicted/adjudicated student is prohibited from taking part in the following activities at the same time as the victim: [\[1\]](#)[10]

Upon notification to the Title IX Coordinator, if the district has determined to take any of the Discretionary Action list above, and a Title IX complaint has been filed in response to the adjudication or conviction, the Title IX Coordinator shall determine if the district's anticipated actions against the convicted/adjudicated student, as outlined in the above sections, qualify as an emergency removal under Title IX. If the Title IX Coordinator determines that the district's anticipated actions will qualify as an emergency removal, the Title IX Coordinator shall conduct an individualized safety and risk analysis before any of the Discretionary Action(s) are taken.

- If the Title IX Coordinator determines that the convicted/adjudicated student does not pose an immediate threat to the physical health or safety of any student or other individual arising from the report of conviction or adjudication of sexual harassment/sexual assault, the Title IX Coordinator shall inform the Superintendent or designee to pause any action under this policy until a full Title IX investigation has been completed and a determination has been made, in order to comply with state and federal laws and regulations.[10][11][21]
