**Personal social media account - a social media account, regardless of platform, that is attributed to and operated by an employee, individual school director or student for personal use and is not approved by the Board as an official communications channel of the district.**

**Third Party Social Media Account – a social media account, regardless of platform, that is operated by a volunteer, student, parent, alumnus, or other member of the public on behalf of a club, foundation, sports team, or other extracurricular group affiliated with the school district. Third party social media accounts are *not* operated by school district employees or school board members.**

**Designated public forum - created when a district-owned social media account is intentionally opened for use by the public as a place for expressive activity where members of the public may communicate, post or comment on information, subject to viewpoint neutral rules designated by the Board. **The Board authorizes designated district staff maintaining district-owned social media accounts to remove individual posts or comments by public users that violate the established social media rules of this policy. The Board directs that review and consideration of posts or comments shall not discriminate on the basis of content or viewpoint, and staff must always be able to articulate the reason for removing a specific post, in accordance with Board policy. Staff may consult with the Superintendent or designee and the school solicitor in determining appropriate actions. Posts and comments may not be removed solely because they are critical of the district or district leadership, because they promote an unpopular opinion, or because of their viewpoint if the post or comment otherwise complies with the established social media rules.**
