DRUGS 101: WHAT PARENTS NEED TO KNOW®

"Drugs 101: What Parents Need to Know®" is a drug prevention program that seeks to educate parents/guardians about the various forms of drugs and the peer pressures facing students to use them. In partnership with the Lincoln Intermediate Unit 12, the Byrnes Health Education Center will be presenting this program to three different locations over three different dates.

A mock bedroom serves as the backdrop to the two hour presentation. Parents/ guardians will enter the mock bedroom that has been set up to resemble a potential drug user's room and will then be asked to identify drug and alcohol paraphernalia items that are placed within the bedroom. Throughout the presentation, more than 80 trendy drug and alcohol indicators will be unveiled to show how some adolescents hide drug and alcohol use from their parents. Signs, symptoms and current trends of gateway drugs will be discussed.

THURSDAY, MARCH 21, 2019 | 6-8PM
BYRNES HEALTH EDUCATION CENTER | 515 S. GEORGE STREET, YORK

THURSDAY, MARCH 28, 2019 | 6-8PM
