Members of the public who are school district residents, own property within the school district, or are current district employees will be recognized and invited to speak on any matter concerning the operation of the schools of our district. Generally, a maximum of five (5) minutes will be granted per individual and a maximum of thirty (30) minutes per meeting for this purpose. The Board's rules for hearing of members of the public can be altered on a temporary basis by the majority vote of the School Directors present. If the comments are in the form of a complaint, the procedure for handling complaints is to be followed.

The period of public comment is not designed to serve as an open dialogue, but rather to be an opportunity for district residents to express their opinions before the Board. The presiding officer may interrupt or terminate a participant's statement when the statement is too lengthy, personally directed, abusive, obscene, or irrelevant. A limited response, for purposes of clarification only, may or may not be offered by either a board member or the school administration.
