

Greetings Spring Grove Students and Parents/Guardians,

We are beginning the course selection process for the 2022-23 school year. We encourage students and parents/guardians to work together through the following steps. Completion of these steps will ensure that you are ready to select appropriate courses for next school year.

1. Watch [this video](#) which will provide you with additional information on this process.
2. Review the [Course Selection Guide](#)
3. Review the [Course Selection Worksheets](#)
4. Review course options with your teachers
5. Select your courses (we recommend circling your choices directly on the course selection worksheet and taking a picture with your phone or iPad).
6. Attend your course selection workshop on your scheduled day (during social studies classes).

Timeline:

- **1/18** – 9th grade social studies classes will enter course selection into Sapphire during social studies classes
 - Except for periods 6/7 and 8/9 (Which will meet on Friday 21st)
- **1/19** – 10th grade social studies classes will enter course selection into Sapphire during social studies classes
- **1/20** – 11th grade social studies classes will enter course selection into Sapphire during social studies classes

- Students last names A-F - computer lab 321
- Students last names G-L - room 244
- Students last names M-R - Career Center
- Students last names S-Z - computer lab 320

If you have any questions about courses or the course selection process please submit them using [this form](#) and a counselor will reach out to you shortly. Please note courses you select now will be the courses you will take next school year. Taking time now to think through the courses you select is very important. We are here to help!

Sincerely,

Mrs. Landis (A-F)
Mr. Mundy (G-L)
Mr. Fake (M-R)
Mrs. Schmoyer (S-Z)
