

Greetings Spring Grove 8th grade Students and Parents/Guardians,

We are beginning the course selection process for the 2022-23 school year. This is one of your first steps in your high school journey. We are excited to partner with you and your family as you start this process. Parents/guardians are encouraged to work with their student(s) to work together through the following steps. Completion of these steps will ensure that you are ready to select appropriate courses for next school year. All course selection information can be found [here](#).

1. Review the [Course Selection Guide](#)
2. Review the [Course Selection Worksheet](#)
3. Review course options with your teachers
4. Attend the Course Selection presentation on January 5th during the school day. (High school counselors will be coming to present this information)
5. Select your courses (we recommend circling your choices directly on the course selection worksheet and taking a picture with your phone or iPad).
6. Attend your course selection workshop on your scheduled day (January 25th and 26th as instructed by your teachers)

If you have any questions about courses or the course selection process please submit them using [this form](#) and a counselor will reach out to you shortly.

Sincerely,

Mrs. Landis (A-F)

Mr. Mundy (G-L)
